

## Charles Darwin University Press presents...

***Social Capital and Social Justice: Critical Australian Perspectives*** is a collection of essays that brings together emerging and established scholars who have enlivened and enriched the debates about social capital in Australia. Social capital continues to be the subject of heated discussion and debate in social policy and social science arenas. However, there is a growing gulf between the manner and effect by which these discourses are being played out. Collectively, the volume illustrates the continuing relevance of social capital in analysing Australian society and strengthening social policy and programs to promote social justice in contemporary Australia.

**Geoff Woolcock** is Associate Professor and Research Fellow with the Urban Research Program at Griffith University. **Lenore Manderson** is Professor of Medical Anthropology in the Faculty of Medicine, Nursing and Health Sciences at Monash University, and is a Fellow of the Academy of Social Sciences in Australia.
